AMENDED CLAIM OF APPEAL

Appellants, Heron Cove Association, on behalf of its above-named members, and by its above-named individual members, through their counsel, FOSTER, SWIFT, COLLINS & SMITH, P.C., state as follows, pursuant to MCR 7.123:

1. Appellants claim an appeal from the decisions on February 6, 2024 by the Midland County Board of Commissioners and Gladwin County Board of Commissioners (the “Counties”) to each approve a “Resolution Approving Four Lakes Special Assessment District 5-Year Operation and Maintenance Project Cost and Operation and Maintenance Assessment Roll, and Capital Improvement Project Cost Special Assessment Roll.” The resolutions are attached as **Exhibit A**.

2. In 2019, under Part 307 of the Natural Resources and Environmental Protection Act, Act 451 of 1994, as amended, MCL 307.30701 *et seq.*, the Counties by resolution appointed the Four Lakes Task Force (“FLTF”) as their delegated authority to cause to be determined the normal lake levels for Wixom Lake, Sanford Lake, Smallwood Lake, and Secord Lake (collectively, the “Lakes”), and to establish the Four Lakes Special Assessment District.

3. The Counties then jointly filed petitions to determine normal lake levels and to establish the Four Lakes Special Assessment District in Midland County Circuit Court and Gladwin County Circuit Court.

4. On May 28, 2019, the Honorable Stephen P. Carras entered an order in Midland County Circuit Court setting normal lake levels for the Lakes and establishing the boundaries of the Four Lakes Special Assessment District. On July 18, 2019 (following an order from the Supreme Court Administrative Office appointing him to that court), Judge Carras entered that order in Gladwin County Circuit Court.

5. Under MCL 324.3014(3), a county “shall approve the cost and the special assessment roll by resolution” “[b]efore construction of a project is begun.”

6. Upon information and belief, construction on the improvements began before the Counties confirmed the special assessment rolls.

7. On February 6, 2024, the Counties approved a 5-year operation and maintenance assessment roll and a 40-year capital assessment roll.

8. Under MCL 324.30714(4), “the special assessment roll with the assessments listed shall be final and conclusive unless appealed in a court within 15 days after county board approval.”

9. Part 307 defines “court” as “a circuit court, and if more than 1 judicial circuit is involved, the circuit court designated by the county board or otherwise authorized by to preside over an action.” MCL 324.30701(c).

10. On January 23, 2024, the Gladwin County Board of Commissioners adopted a resolution “To Designate Venue/Court For Appeals of Four Lakes Task Force Special Assessment Matters, Pursuant to Statute,” which designated venue and conferred jurisdiction upon the Midland County Circuit Court “for all matters relative to the Four Lakes Task Force, and/or special assessments for it as Gladwin County’s Delegated Authority,” attached as **Exhibit B**.

11. The Michigan Court of Appeals has held that appeals from the apportionment of a special assessment under the Inland Lake Level Act are properly heard in circuit court. *In re Project Cost and Special Assessment Roll for Chappel Dam*, 282 Mich App 142, 145; 762 NW2d 192 (2009).

12. Appellant Heron Cove Association is a Michigan nonprofit corporation organized “[t]o promote the general welfare of its members, owners of any property along or near Secord,

Smallwood, Wixom, and Sanford Lakes, including backlot properties with dedicated access. . . ., or any property in or touching the Four Lakes Special Assessment District in or around Gladwin and Midland Counties, Michigan.” It is comprised of property owners and those with property interests within the Four Lakes Special Assessment District or adjacent to it. Individual appellants are members of the Heron Cove Association who own or have interest in property within the Four Lakes Special Assessment District. Each appellant has standing to claim this appeal, and proceeding in one appeal is the most expeditious use of judicial resources. The members appealing and their addresses and Parcel IDs are listed in **Exhibit C**.

13. Appellants appeal the Counties’ levying and apportionment of the special assessment rolls on the following grounds and as further detailed below:

- a. The Counties’ decisions were not authorized to law.
- b. The Counties’ decisions were not supported by competent, material, and substantial evidence on the whole record.

14. The Counties began construction on the improvement before they approved the cost and the special assessment roll by resolution.

- a. The Counties’ decisions were not authorized by law.

15. Appellants’ properties derive little to no special benefit or gain in market value from the assessment beyond that provided to the community as a whole. *Kadzban v City of Grandville*, 442 Mich 495 (1993).

- a. The Counties’ decisions were not authorized by law.
- b. The Counties’ decisions were not supported by competent, material, and substantial evidence on the whole record.

16. The amount of the assessment imposed on Appellants' properties is grossly disproportionate to the increase in market value to the properties and constitutes a taking of property without due process of law, *Dixon Road Group v City of Novi*, 426 Mich 390 (1986), and an unconstitutional taking of property without just compensation.

- a. The Counties' decisions were not authorized by law.
- b. The Counties' decisions were not supported by competent, material, and substantial evidence on the whole record.

17. Appellants request the following relief:

- a. That this court vacate the special assessment rolls.
- b. That this court order a reapportionment of the special assessment roll so that the assessments are proportional to the increase in market value derived from the improvement.
- c. Any other relief the Court finds just and equitable.

18. No bond is required by this appeal.

Respectfully Submitted,

FOSTER, SWIFT, COLLINS & SMITH, P.C.
