Re: Compensation of Board of Directors

To Whom It May Concern:

As the Independent Auditors, and Tax Preparers of the 990 Return of Organization Exempt Income Tax Form, we can confirm that there has been no reported financial compensation for any Board Member for the years 2020 through 2023.

Board of Directors compensation is required to be reported on Page 7, Part VII of the 990 Return of Organization Exempt Income Tax Form, which is open for Public Inspection. Those inquiring about Board Compensation can view this information online at the Four Lakes Task Force website.

The Board of Directors is comprised solely of unpaid volunteers.

Sincerely,

A handwritten signature in black ink that reads 'John W. Haag Sr.'.
