

Wixom Lake Restoration Activity and Timeline

Activity	Scheduled	Completion
	December 2023	Completion
Engineering Design Design Criteria Development	July 2021	Х
Data Collection and Base Mapping	May 2022	^
Topography, Boundary and Utility	,	
Wetland Boundary Survey		
Threatened and Endangered Species Survey		
 Cultural Resources Survey Soil Borings and Dive Inspection 		
Existing Conditions Base Map		
Risk Based Analyses and Spillway Capacity Design	July 2022	
Report submittal		
EGLE, Third Party and Community comments on Risk		
60% Engineering Design Submittal	December 2022	
Geotechnical – preliminary design Civil – preliminary design		
Structural – preliminary design		
Mechanical and Electrical – preliminary design		
Hydraulics – preliminary design		
Wetland Mitigation Plan and Environmental Impact – preliminary design submittal		
Independent 3 rd party review Occ. Further in Project C. Individual Occ. Further in Proj	NA - 2022	
90% Engineering Design Submittal	May 2023	
 Geotechnical – final design Civil – final design 		
Structural – final design		
Mechanical and Electrical – final design		
Hydraulics – final design		
Technical Specifications and Contracts		
Wetland Mitigation and Environmental Impact Final Design		
 Soil Erosion and Sediment Control Plan Independent 3rd party review 		
100% complete engineering plans	October 2023	
Utility Coordination & Relocation	December 2023	
•	April 2026	
Bidding and Construction	· ·	
USDA Approval to Bid Project - based on final plans and permits	TBD/Dec 2023	
Bid Opening and Final Computation of Cost	January 2024	
USDA Closing Submittal	February 2024	
USDA Notice to Proceed and Preconstruction meeting	March 2024	
Issue Notice to Proceed with Construction	March 2024	
Finish Construction (18-24 months) and Fill Lake	April 2026	
Special Assessment District (SAD) and Financing	December 2024	
Communicate O&M methodology and CIP methodology to public	November 2021	
Submit Preliminary Special Assessment Roll, Environmental and Engineering Report to USDA	July 2023	
SHPO Cultural/historical resource report	December 2021	
Section 7 Endangered Species Act report Project along and alternative analysis.	September 2023	
 Project plan and alternative analysis Construction and operating cost projections 	July 2023 May 2023	
SAD methods	September 2022	
USDA Approval and Obligation of Funds	TBD/October 2023	
Special Assessment Hearing for Operations Roll and Capital Improvement Roll	May 2023	
County Board Vote to Approve the Operations Roll and Capital Improvement Roll	June 2023	
Complete SAD Appeal Process Submittal of USDA bidding documents	TBD/July 2023 TBD/ Nov 2023	
EGLE permits / Environmental and Safety Permits	TBD/ Nov 2023
